Project Update – Public Realm/ Infrastructure

Committee on Accessible Transportation

February 8, 2023

Agenda

1. Overview & Existing Conditions
2. Key Project Elements
3. User Circulation
4. Ramp Configuration
5. Bus Operations
6. Next Steps
7. Questions & Comments

CAT Engagement To Date

- **April 12, 2021**

- CAT Ad Hoc Meeting – Project Introduction

- **July 7, 2021**

- CAT Executive Committee – Ramp Design Workshop

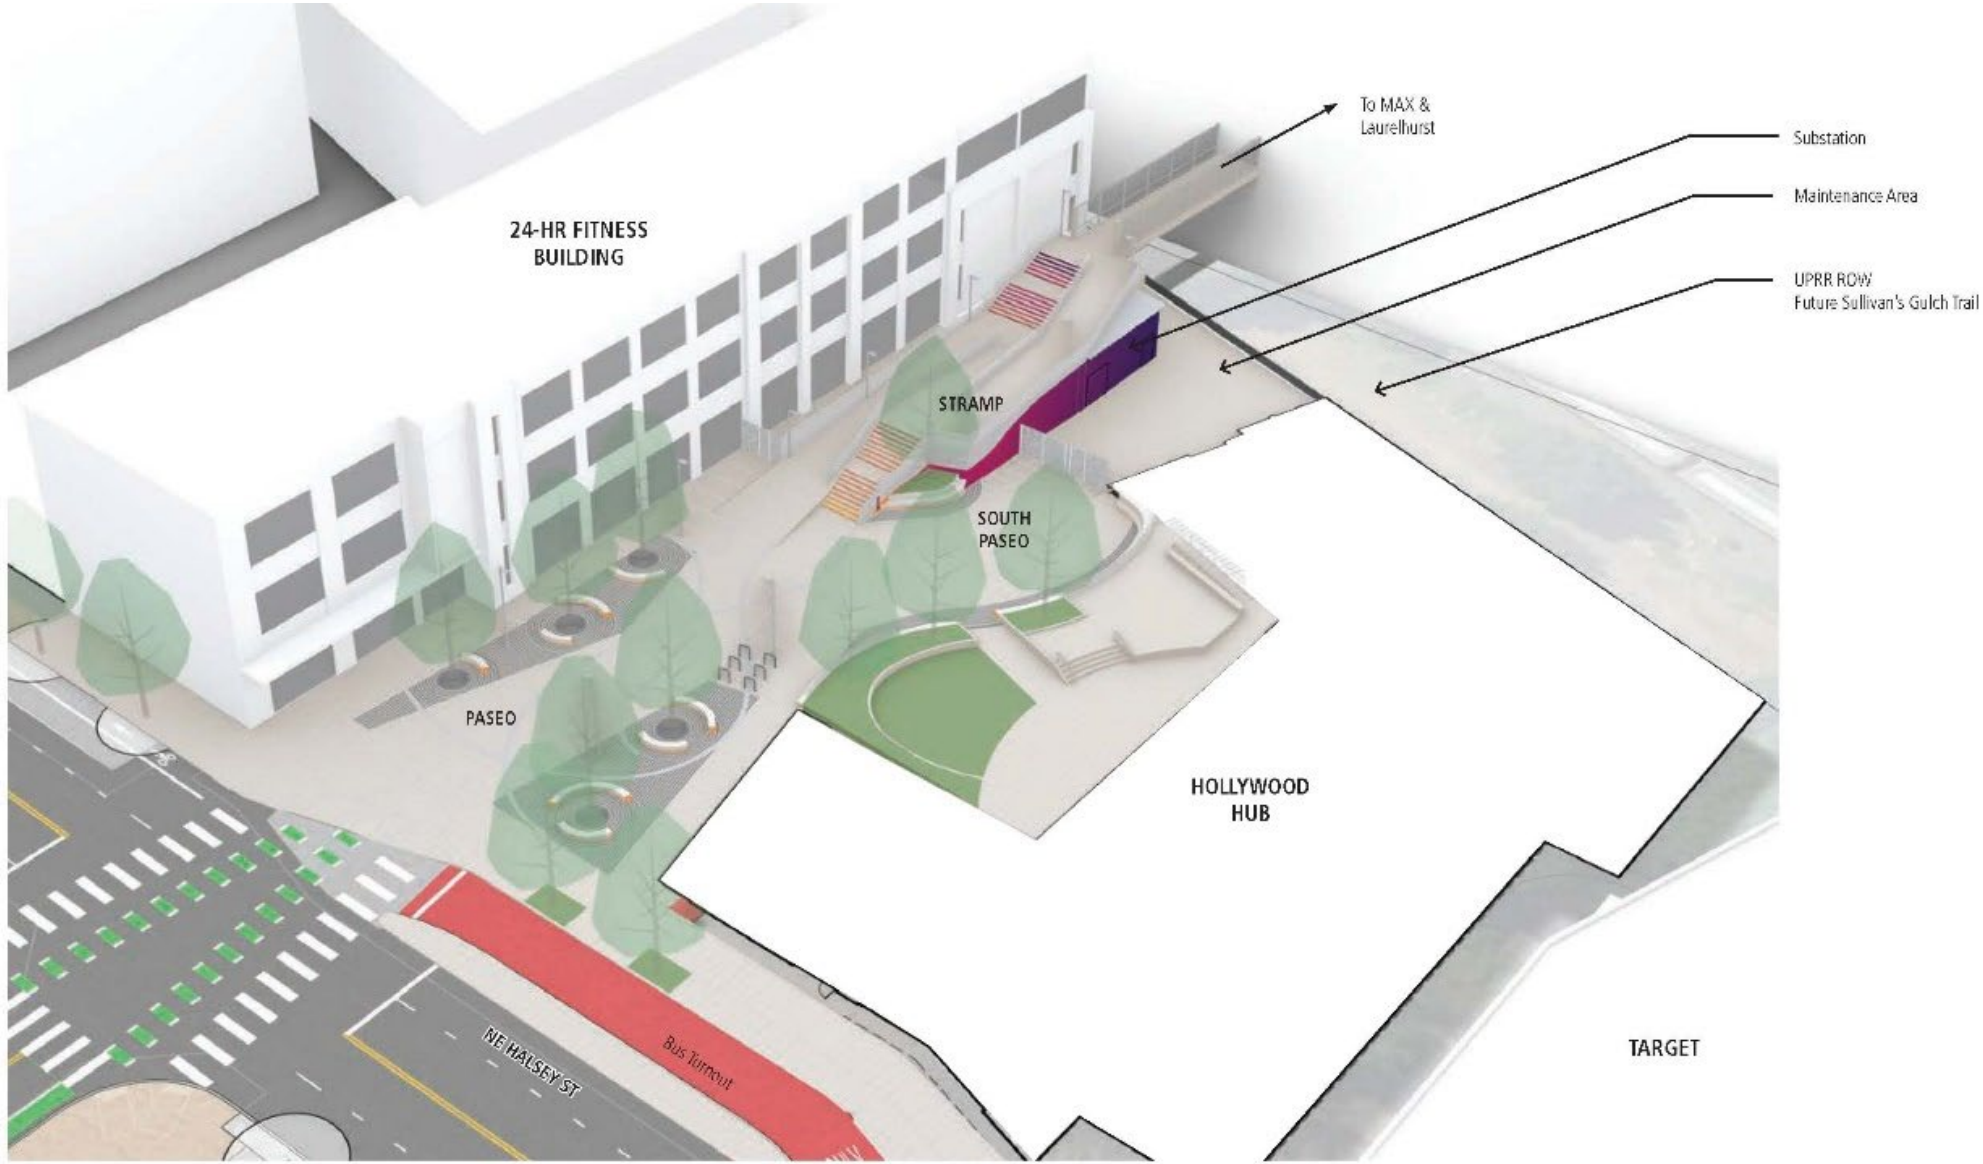

- **September 23, 2021**

- CAT Ad Hoc Meeting – Ramp Design Update

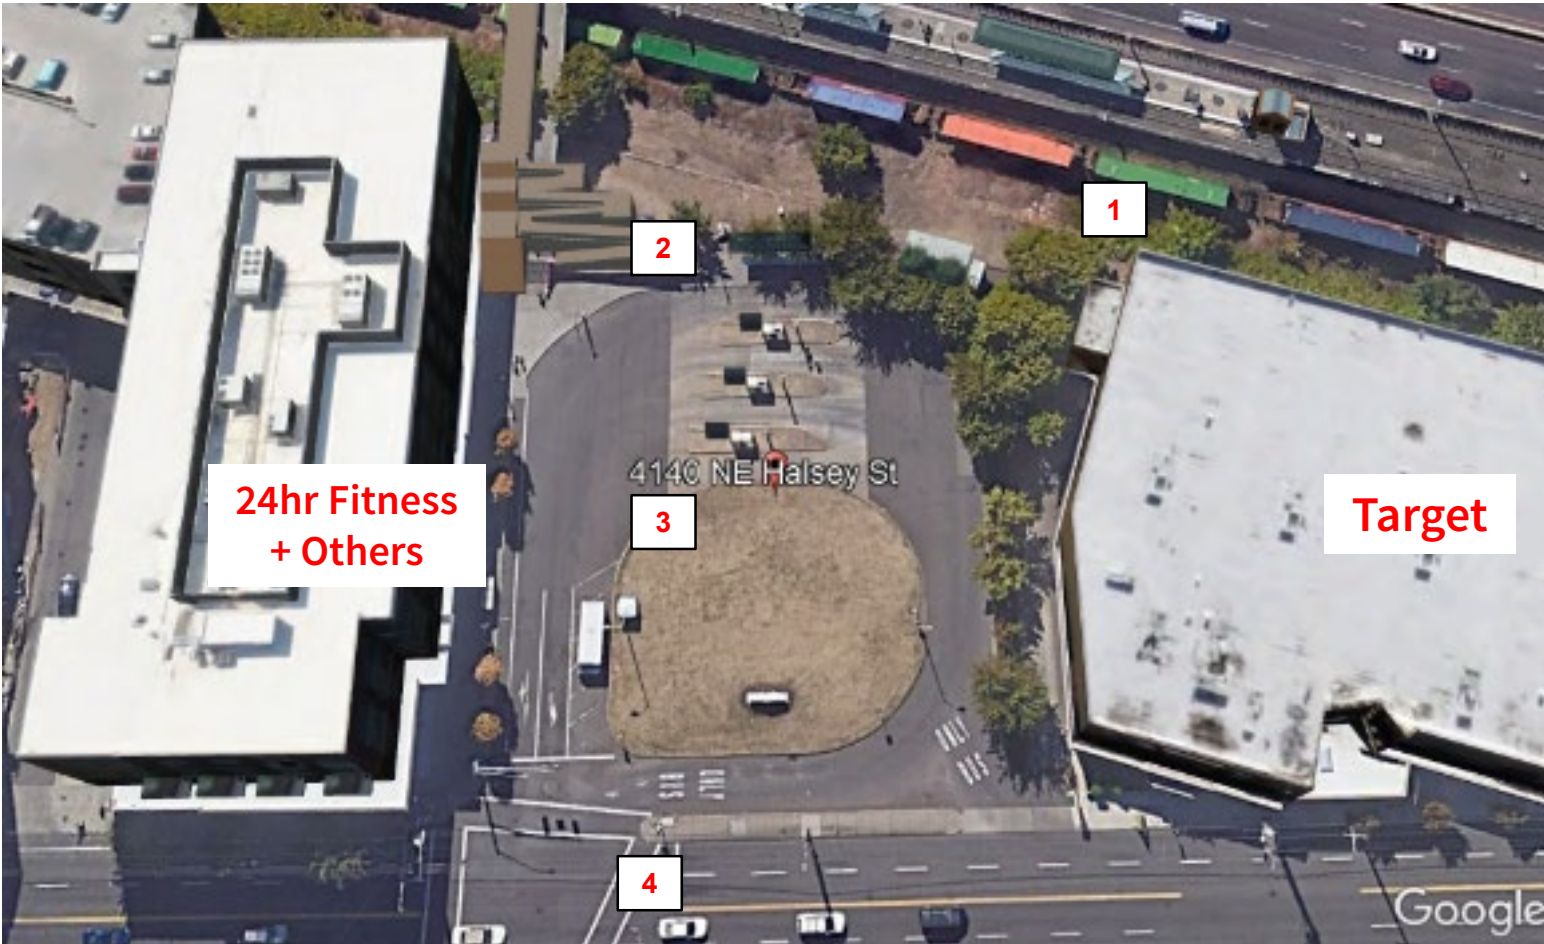

- **September 21, 2022**

- CAT Board Presentation – Project Design Update

Site Overview

Existing Conditions

1. 1986 light rail substation due for upgrade
2. Outdated stair and ramp
3. Underutilized site
4. Safety Challenges

Key Elements & Vision

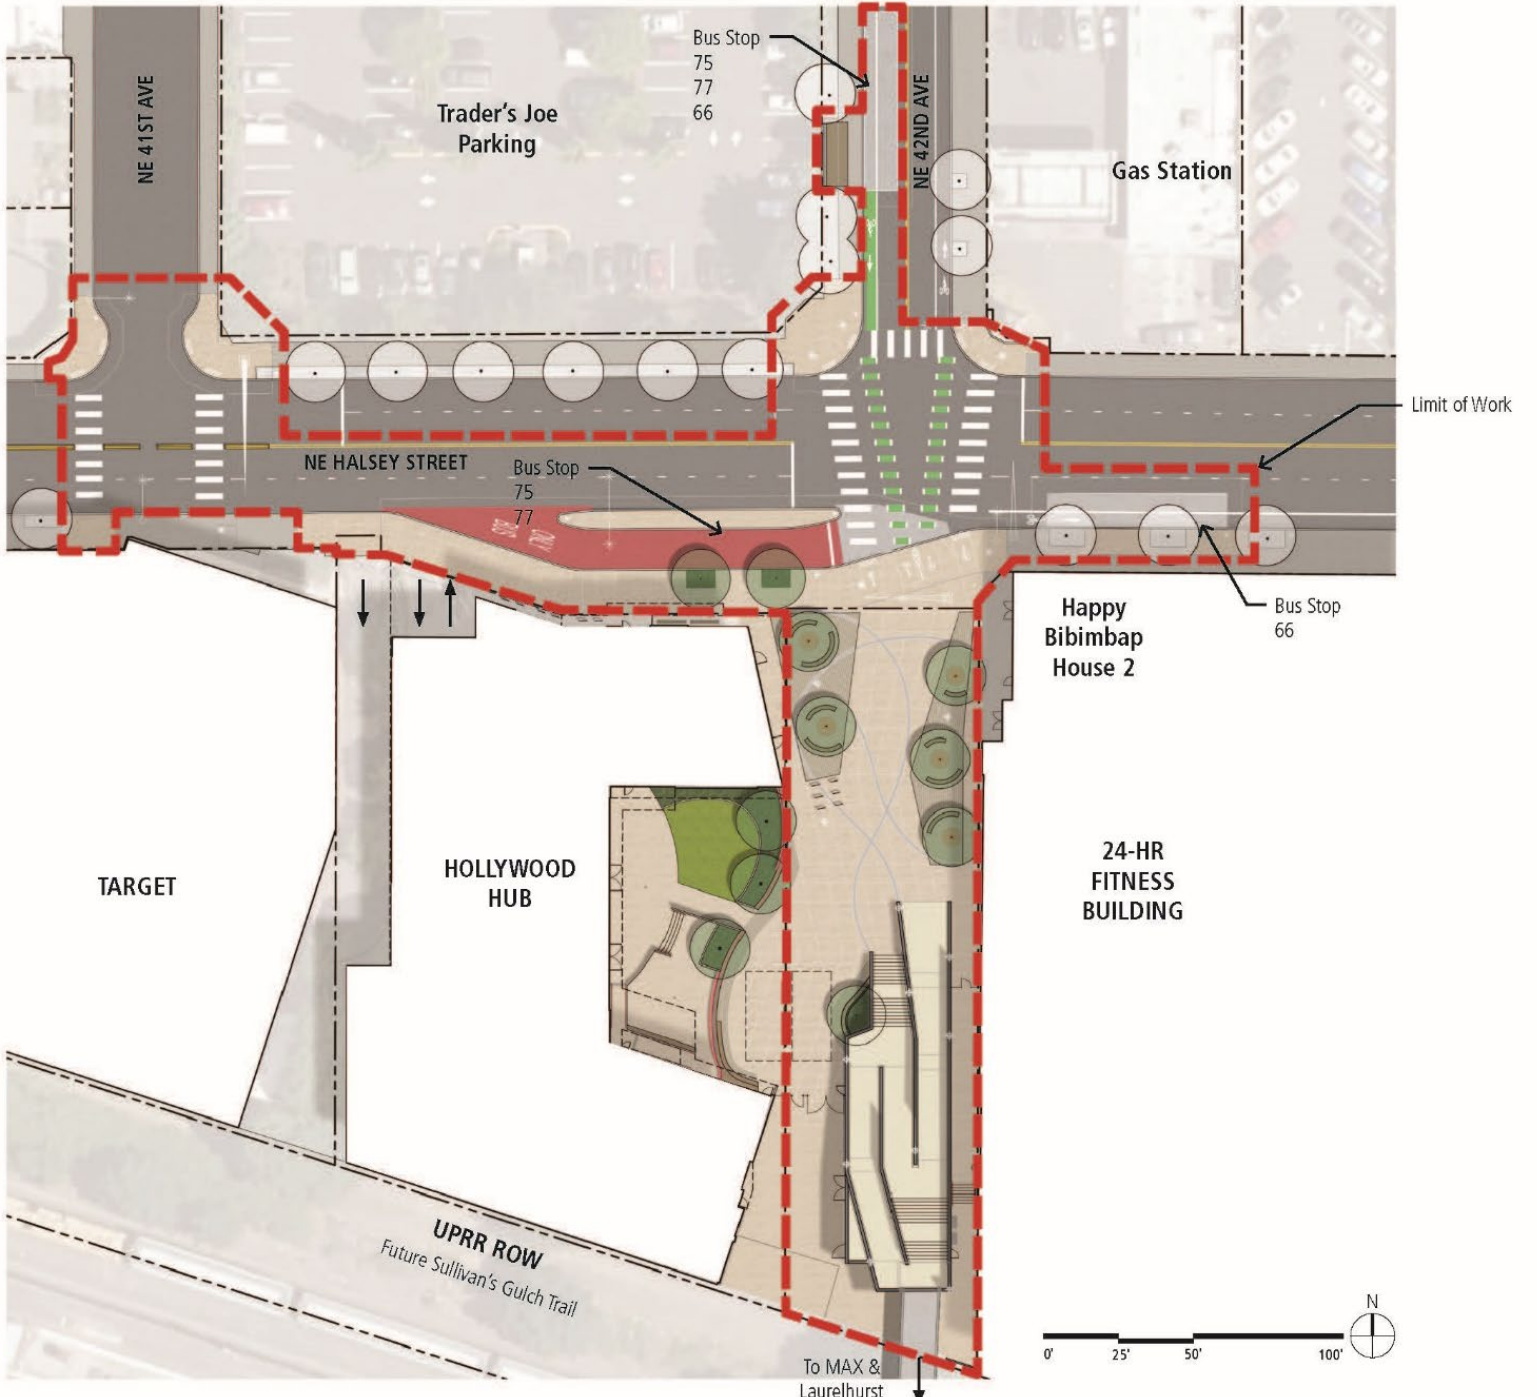

TriMet - Public Realm & Infrastructure Project

- Upgrade aging infrastructure (stairs/ramp, substation)
- Upgrade bus stops, shelters, and locations
- Reconfigure the site to add housing in a transit-rich location
- New stair/ramp structure
- New paseo/public realm
- New public bike parking (outdoor & secured indoor spaces)

BRIDGE Housing - hollywoodHUB Housing

- New affordable housing building with a resident courtyard (**220+ Units**)

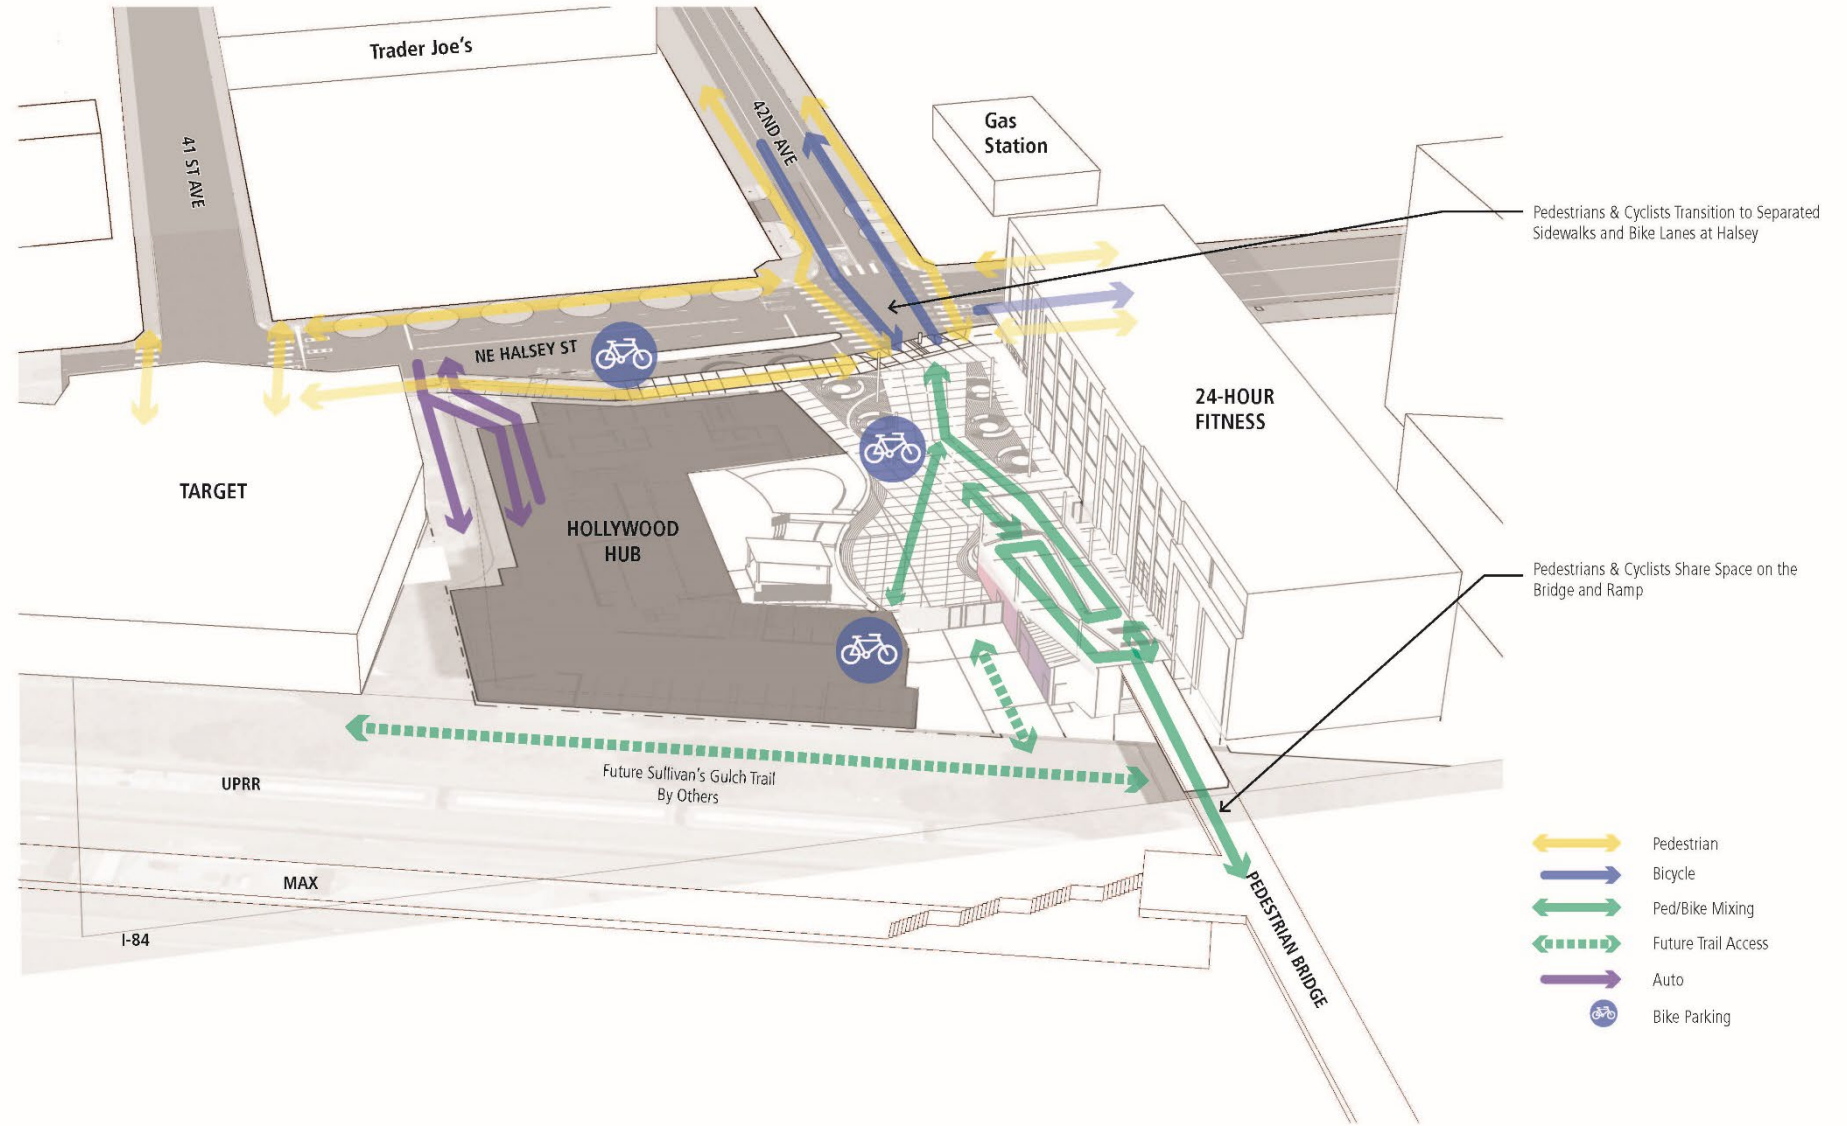

Infrastructure Project Footprint

Existing User Circulation

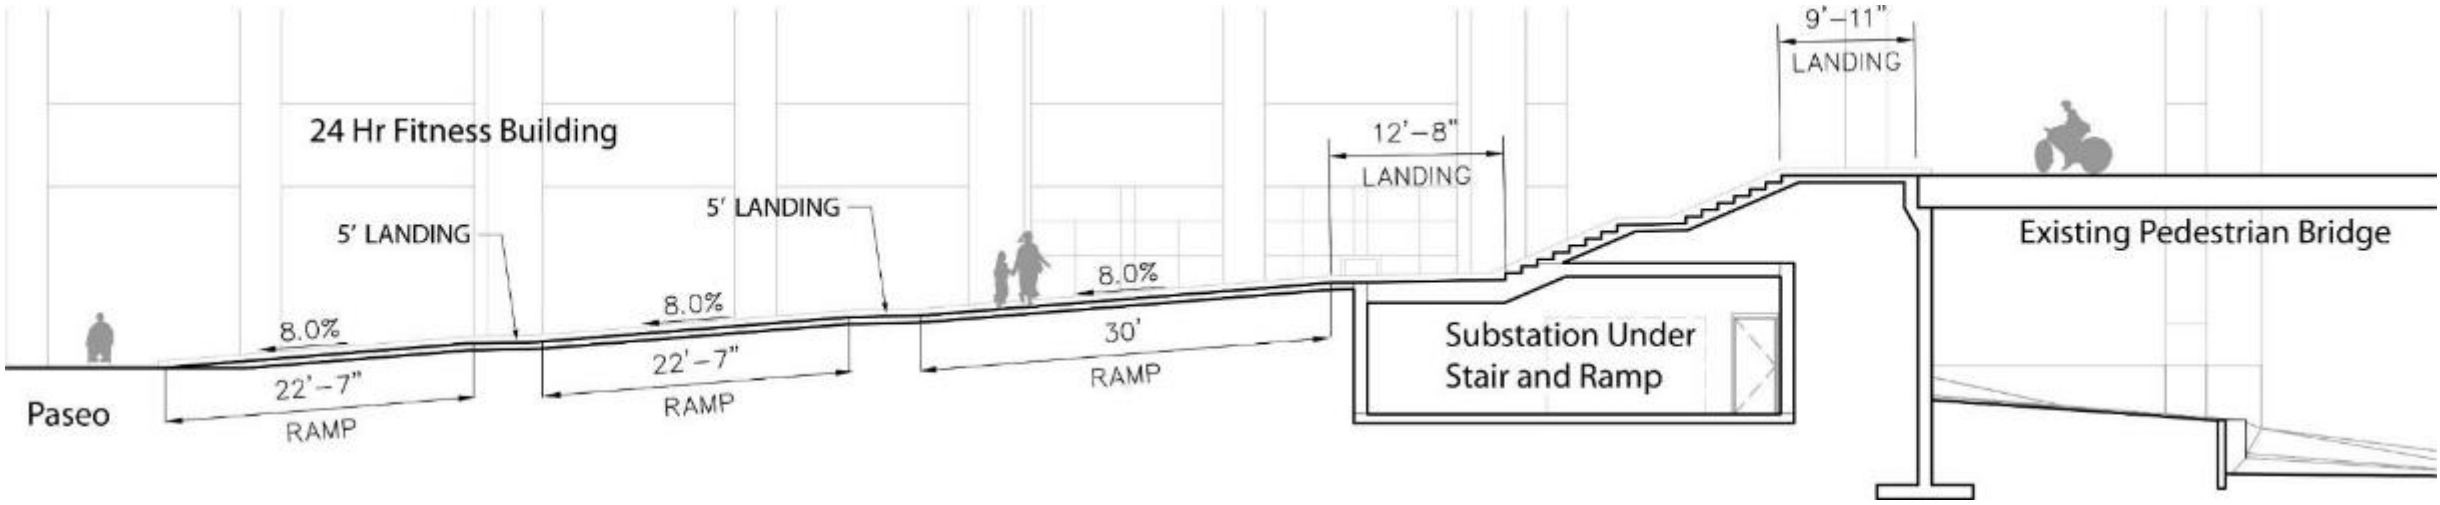

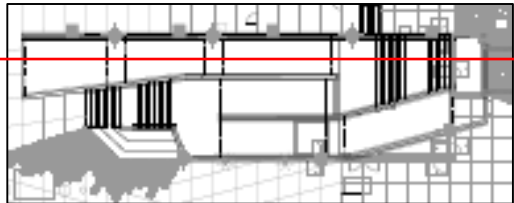

Revised User Circulation

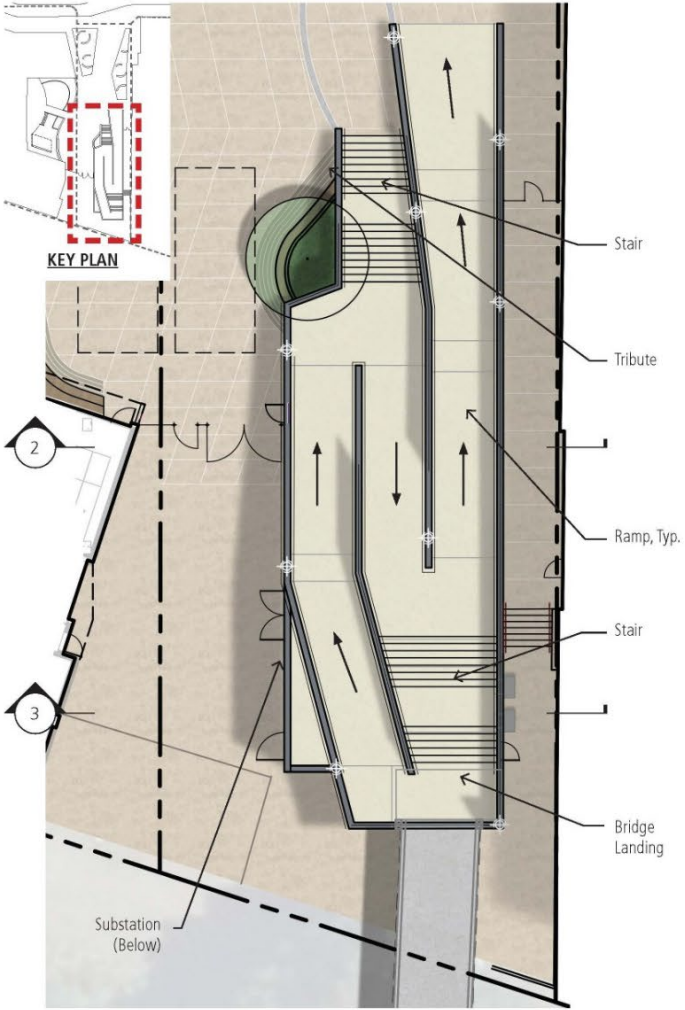

Stair/Ramp Typical Dimensions

Section

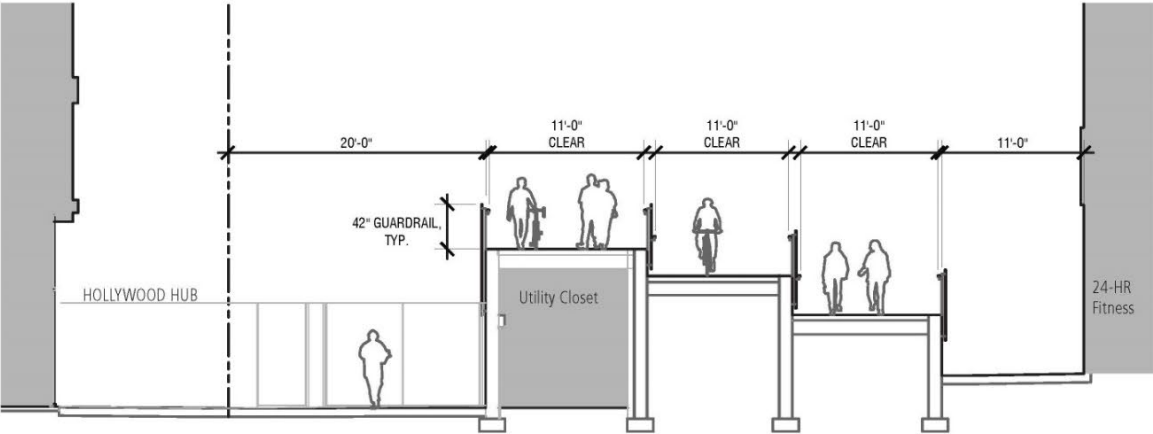

Elevation - Looking East

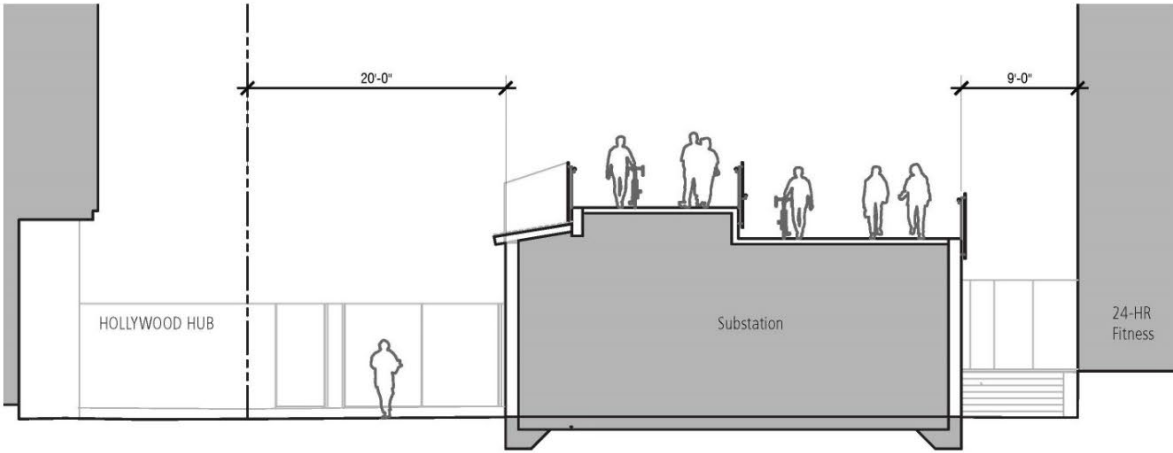

Stair/Ramp Sections

1 ENLARGEMENT - STRAMP
Scale: 1" = 20'-0"

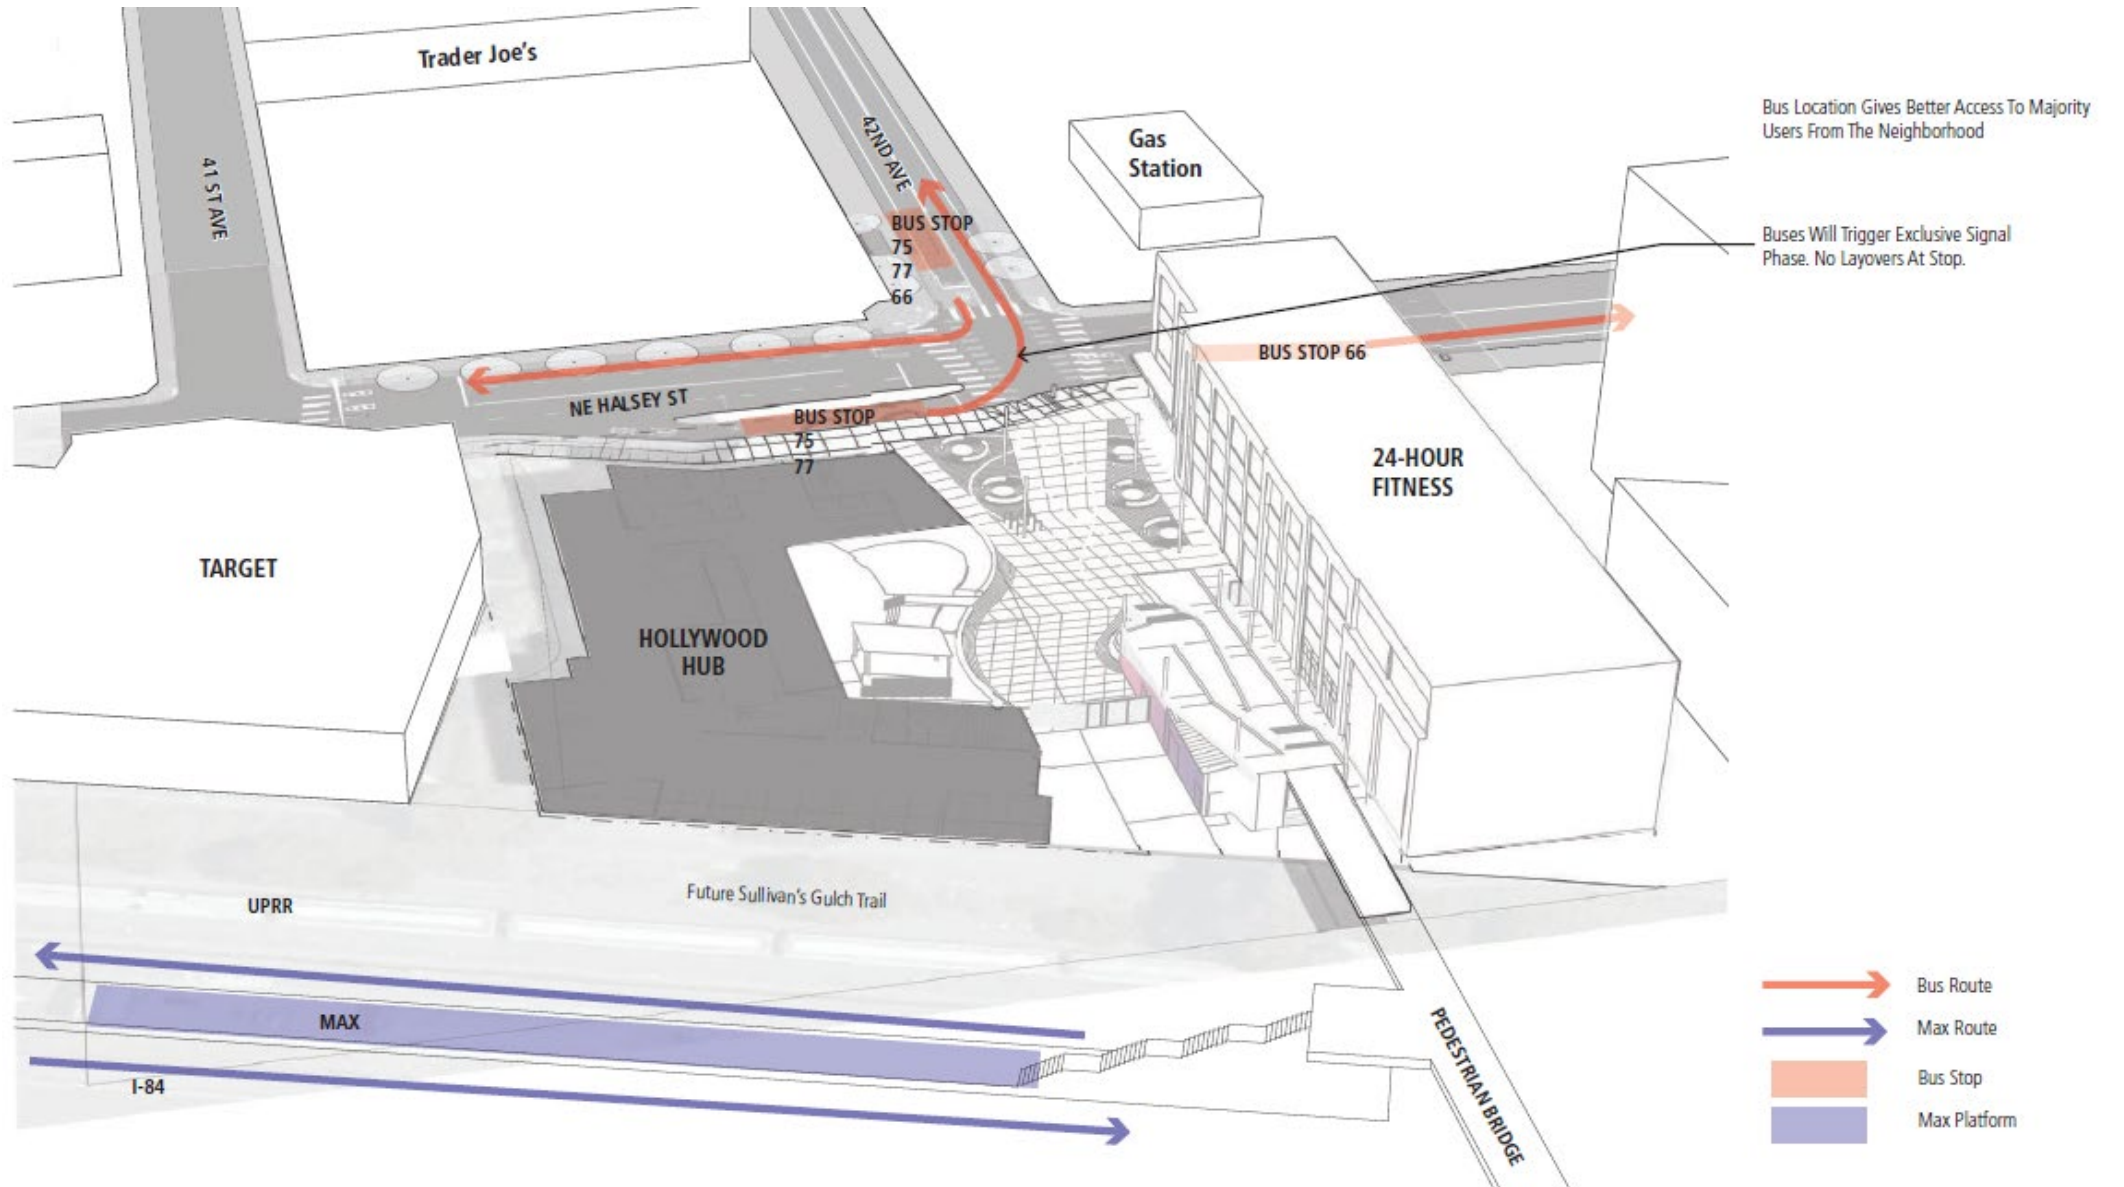

2 STRAMP SECTION - UTILITY CLOSET
Scale: 1/8" = 1'-0"

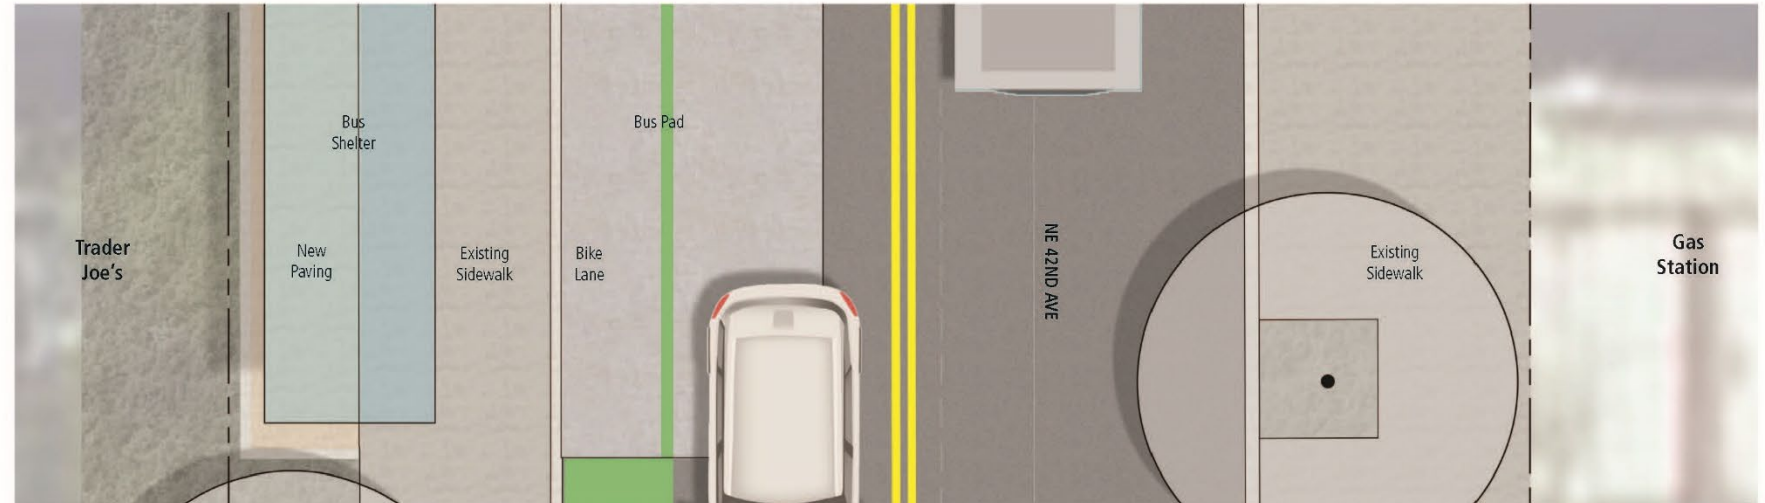

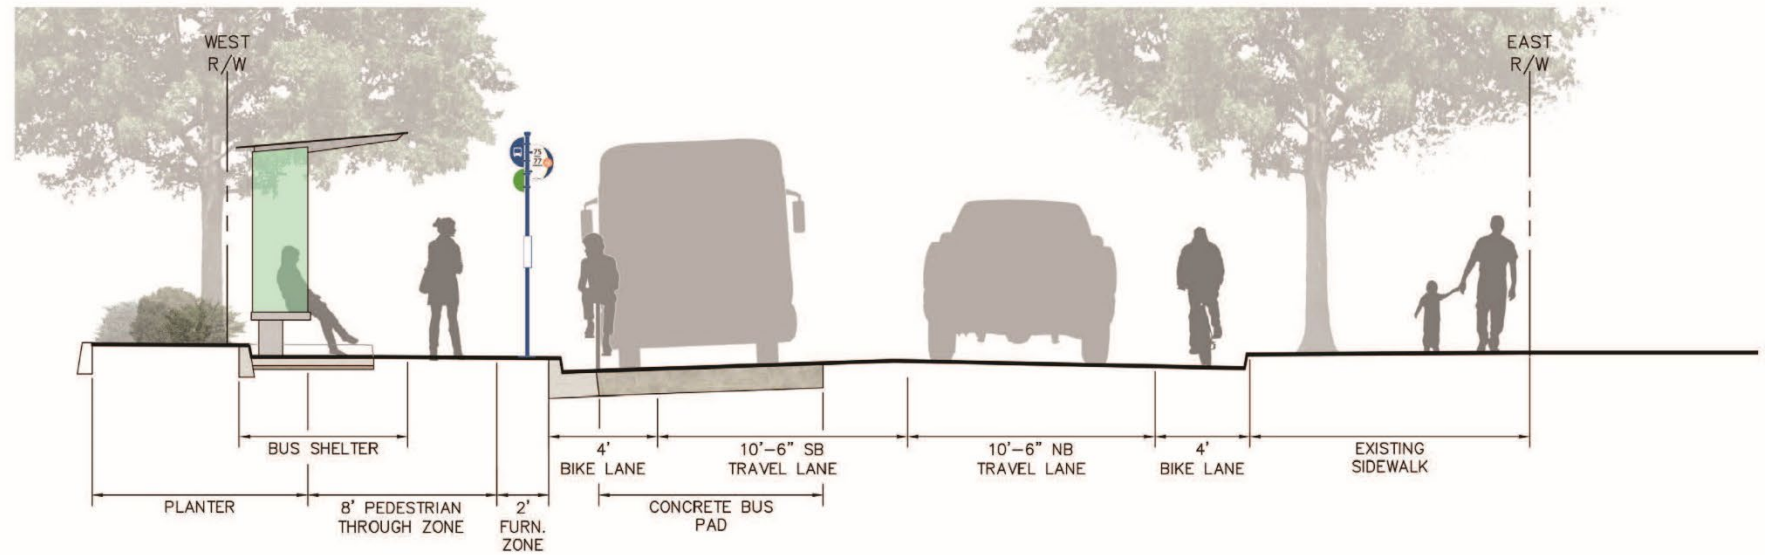

3 STRAMP SECTION - SUBSTATION
Scale: 1/8" = 1'-0"

Bus Service

NE 42nd Ave Improvements

Shelter

Construction Schedule

Sept 2023: Temporary bus routing

Nov 2023: Site Prep and Temporary Access

- Demolition of existing ramp and construction of temporary ramp

Jan 2024—Oct 2024: Phase 1

- New ramp/stair and substation
- Intersection and crosswalk improvements
- Bus shelter on NE 42nd

July 2024-Jan 2026: BRIDGE building and courtyard construction

Feb 2026-July 2026: Phase 2

- Finish Paseo (hardscape, trees, benches, etc)
- Build “jughandle” bus stop and final crosswalk

Public Realm & Infrastructure Project

Next Steps

- Seeking feedback on materials and amenities
- Detailed design phase in March
- Ongoing community outreach with design milestones
- City sponsorship with lot replat & street vacation process (42nd Ave)
- Project permitting
- Public access maintained through Hollywood Transit Center during project construction
